Important Information

Dear Parents, Guardians & Carers,

I hope you all had a lovely weekend...there were a lot of happy faces on the streets due to the football!

We are nearing the end of this academic year, there's always a feeling of sadness and excitement at this time of year - sadness because of our Year 6 children leaving us to begin the next part of their educational journey and the excitement of the well-deserved break, along with a new cohort of wonderful children. It has been a difficult year due to these unprecedented times, the one constant has been the level of adaptability and resilience the children have displayed, they make me extremely proud!

There is a fair amount going on in the weeks ahead. Please do attend the 'Meet the Teacher' event on the 14th July. I understand parents with siblings may have to join a couple of meetings, hence the 30-minute time slot. Our Year 6 team have been working hard to make the leavers celebration as memorable as possible, please refer back to the timings on the letter you were given for the day.

We also have sports day, which I know Mr Ensby has been working hard on to make the best experience for our children. Please familiarise yourself with the date of your child's year group and ensure they are wearing their PE kit.

Over the next few days we will be holding parties for the children in their year groups, this is to celebrate their fantastic attitude throughout this year and for me to extend my gratitude for winning Headteacher of the year. Your child's class teacher will give you more details of this, I hope the children enjoy their well-deserved celebration 😊

Wishing you all a great week ahead!

Miss Mehat

Key Messages & Reminders

Healthy lifestyles at Wexham

We are currently in the process of reviewing and updating our Healthy Eating policy. We would like this guidance to be informed by staff, children and parents. The partnership of home and school is critical in shaping how children and young people behave, particularly where health is concerned.

I invite you to be a part of our parent focus group. This would involve meeting on **Tuesday 6th July 11:00am- 12:00pm** to discuss weekly menu ideas for parents to use to inform what they place in their child's lunch box. We want to ensure that the menu is inclusive of all cultures. If you would be interested in taking part in this please contact the office and I will contact you to confirm.

The Expressions Festival

The expressions festival is two days of activity-packed sessions for children to try new things, discover their hidden talents and have fun. It is a safe space away from screens to nurture children's mental wellbeing after the pressures of lockdown.

Each day has a series of "playshops" designed as taster sessions for children to try a new activity and learn a new skill.

The project is sponsored by the Slough Hub, a community organisation, that promotes unique after-school activities to help children build confidence, encourage social interaction and most importantly have FUN!

If your child is entitled to free school meals, please send an email to contact@thesloughhub.org to get a discount code.

Bollywood Dance

Creating the next dance superstar!

The Bollywood dancing workshops provide a space for children to explore new body movements and have fun learning dance routines, which later can be performed in any event.

Art and Dance Creations!

Allow your child to explore and experiment with this hands-on artform that kindles the mind to be creative and innovative. Kolam is a floor art indigenous to Tamil Nadu in India. It helps to maintain mental and physical balance. It is the art of using a series of patterns that are drawn around a dotted grid that are mathematically designed to create a Kolam design.

Animation Expressions

Budding Animators!

An exciting workshop where children will create animations and bring them to life. They participate in the camera work, designing, directing, recording and much more. After the workshop, their beautiful creations can be presented as a mini showcase to the school and uploaded to Youtube, a fantastic memory that will live forever.

Loud and Proud!

This is an interactive workshop where the children can have a go at playing a Dhol rhythm focusing on Bhangra Folk dance like Jhummar, Luddi, Dhamaal accompanied by dance steps. Drumming is a great way of expressing yourself through a creative art form and promotes better mental health.

Eat, sleep, cheer, repeat!

Cheerleading is a great way for children to express themselves using choreographed movements, music and chants. A fun way to entertain a crowd promoting confidence and movement in children.

Let the music speak!

Fun guitar and ukulele lessons for children. Providing a comprehensive music education for all ages with interactive classes through games, activities, creative processes, listening and watching media.

I can roar like a lion, swim like a dolphin, and fly like a bird!

Exploring self and others through fun yoga. This playshop is focused on nurturing children to be calm, creative and resilient through the discipline and playfulness of yoga

2D & 3D Tangram Puzzle Games

This workshop improves children's problem solving skills, coordination and creativity. It is packed with fun activities for children to learn as they play by making 2D and 3D tangram puzzles, creating tangram puzzle ideas and playing games.
