Assessment

Over the next few weeks, teachers will be assessing the learning that has taken place over Autumn one.

Parent book look and parent consultations

Parent consultations will take place virtually on 30th Nov – 2nd Dec, prior to this, we would like to give you the opportunity to see the pupils work first hand. Therefore, on the week beginning 22nd November you will be invited into school in groups of ten to look at books. Then your consultations will take place the following week via TEAMS. Your teacher will send you the date of your book look sessions and the dates and link for the consultation. During this session we will discuss work, school life and any lates or lunchbox mishaps.

As we are having a focus on Mental health, please see the link below for support in **Managing My Child's Anxiety Course for Parents/Carers**. This online course has been created by the Wellbeing Team in The Royal Borough of Windsor and Maidenhead for parents of children who are experiencing anxiety. The course was developed using key concepts from the book; Helping Your Child with Fears and Worries; by Lucy Willetts and Cathy Creswell. The aim of the programme is to help parents build a range of CBT informed (Cognitive Behavioural Therapy) strategies to help them and their child manage their anxiety to increase their sense of wellbeing.
