Friday 18th December - INSET day

Tuesday 5th January - Children return to School

Important Information

Dear Parents & Guardians,

We made it! This has been a pretty tough term, well done to everybody for getting through it. As we enter our final week, School feels very different to our usual fun filled Santa visits, carol concerts, performances & parties. Despite this, we have a few things to look forward to:

- The House winner's prize arts & crafts day
- The Christmas lunch & jumper day (Bring in £1)
- A message from Santa
- School Assembly (rewards & celebrations)

On Wednesday, pupils will take home all their belongings including homework & reading. There will be no PE on the last day. We finish on Thursday 17th December at the normal end of day times starting from 3pm onwards. There will be no after school clubs on Thursday. Please pick your children up on time.

Messages are a nice gift to receive such as the message we received today from one of the Parents telling us **what a wonderful job he thinks we are doing as a School regarding the whole corona situation. He says we are handling things brilliantly with the things we have put in place & keeping parents fully informed.** Messages like this really do impact us in a positive way!

Moreover, instead of presents & cards this year, please donate to SHOC (details below) we will have collection buckets outside.

Finally, we would like to thank you all for your support this term. Honestly, it has been exhausting & draining for everyone but I have to say the Children have been & continue to be a real positive energy around the School. The resilience they have shown is commendable. Even today, they have been so upbeat & happy to get stuck in. How lucky we are to have such delightful Children.

For many, Christmas will be very different this year & New Year's may arrive quietly, but hopefully grow into a year full of joy & togetherness.

I hope you have a very Merry Christmas & a Happy New Year. Here's hoping 2021 is a better year for all of us!

Regards & best wishes,

Navroop Mehat

Key Messages & Reminders

Reading Books

We have noticed that a lot of the School reading books are still missing since the summer. Please could you have a look at home for any books that you may not have returned and bring them back. We would also appreciate any reading books (that are in good condition) that you would like to donate to the school.

Just Giving - Slough Homeless Our Concern (SHOC)

This year instead of buying presents and sweets for Teachers and children, we would appreciate you donating to 'Slough Homeless Our Concern' (SHOC) instead. We will have donation buckets outside so please donate generously!

Now more than ever, the number of families requiring food this year has risen given the current situation with Covid-19. Let's do our bit by donating as much or as little as we can. The smallest amount can make the biggest difference!

For more information about that charity, click [here](#). To donate to our Just-Giving Page please click this link: <https://www.justgiving.com/fundraising/wexhamhelpsshoc>

We would appreciate any help and support with this great cause.

Parking on Knolton Way

It has come to our attention from residents on Knolton Way that Parents are ruining pavement grass by parking on the pavement and obstructing on-coming pedestrians. Residents are also complaining about Parents obstructing Driveways and parking in dangerous ways thus putting children at risk! This is a reminder to please be mindful of the residents and to be respectful to their properties.

Messaging on Teams

A reminder that Parents **MUST NOT** message Teachers on TEAM's...especially on weekends! If there is an urgent issue you must call or email mail@wexhamprimary.com in the first instance. The weekend is a time for everyone to relax including Teachers and it is not fair to message staff when they are not working. Please bare this in mind for future references.

Tapestry

Calling all sewing/knitting experts...we need YOUR help in completing some weaving for a Tapestry project. If you feel like you have some free time to help or maybe it's just something that you enjoy, please email us on mail@wexhamprimary.com so we can arrange to send you the supplies.

SPORT4KIDS

We have decided to bring the Christmas PARTY to CAMPS! Yes...that's right fun on top of more fun. Festive activities, Christmas tunes, party games, festive crafts, biscuit decorating....We really are bringing the PARTY to camps this year to help spread the Christmas cheer.

MEET OLAF

Just like our Christmas party last year, children will get to meet OLAF and have some cheeky fun with him in a S4K Snowball fight! He will have pictures with the children and if we are lucky he will put a good word in with Santa and ask him nicely to come and join in the fun.

We unfortunately cannot provide a full spread of food for the children at camps but can safely give them some Christmas treats to take home at the end of the day. We are so thankful that we are able to offer this opportunity in a safe way in these unprecedented times.

COVID-19 has taken away so many opportunities for us all this year, let's not let it take away this one.
