Important Information

Dear Parents/Carers,

We hope you all had a great long weekend. Eid Mubarak to all those that celebrated yesterday and today, I hope it was a day of family, fulfilment and lots of food!

It has been a delight spending last week with the children. They all seemed well rested and raring to go for the term ahead. Routines were great from the offset and the behaviours for learning were second to none; I could not be prouder.

We had a very productive visit from Nirmal Singh, who is a Sikh scout's leader and hosts visits to the Gurdwara for local schools. We were fortunate enough to learn all about Vaisakhi and what the 5 Ks represent. You can see some photos below from the session. The children then created their own experiences based on the 5 Ks which were enjoyed by many parents at the end of the school day.

The last couple of months have been full of joy, there have been many celebrations of faith, which as a school we have enjoyed celebrating. Our next celebration will be our Eid event, we are hoping this will be taking place on Friday 13th May. Eid al-Fitr translates as the "Feast of Fast-Breaking", what better way to celebrate this than a school picnic!

We are hoping for good weather which means we can have an outdoor event, where we will supply children with some biscuits, ice creams and drinks.

We will open the gates for parents at 3pm on this day, allowing you to partake in the enjoyment before collecting your children. Timings will differ for EYFS, these will be updated on the Nursery and Reception class Teams page. It will be a mufti day, I look forward to seeing an array of beautiful Eid outfits!

I hope you enjoyed receiving the updated termly newsletters from your child's class teacher. We wanted an accessible platform with active links / videos to support you at home. If there is anything else you would like support with, in order to enhance your child's learning, please do not hesitate to ask your child's class teacher. One thing we can all do is raise the profile of reading. Please listen to your child read, using the videos on our website as further guidance. I will add them below if needed.

With all that being said, I wish you a great week ahead.
