Thursday 1st - Monday 19th April - Easter Half-Term

Tuesday 20th April - Children return to School

Important Information

Dear Parents, Guardians & Carers,

Spring is officially here 😊

The sun is shining bright today and the mood all around has been wonderful. Its amazing what a bit of sun can do!

We had a great week last week with lots of the classes going outside to work and read in the gorgeous weather. Children engaged in outdoor learning from writing and reading poems about spring to sketching flowers. They also cleared up the flower beds and the poly tunnel to make space for the new fruit and veg that we will be planting.

We hope you have a great week ahead!

Miss Mehat

Key Messages & Reminders

Just so you don't forget...

Car Parking during pick up & drop off

We have received a few complaints from residents about parents parking their cars recklessly in front of driveways, on grass verges and pavements. This is causing a nuisance for the residents as they are unable to get in and out of their homes as well as well as for pedestrians who are not able to walk along the pavements properly (especially those who have pushchairs).

Please be mindful of where you are parking your cars and please be safe when driving! Now that the weather is getting better, why not walk to and from School if you live close by – not only will this save you from sitting in traffic, but you will get your daily steps in!

Walk and Talk

As a School, we are very excited to launch our Walk and Talk campaign. This is to encourage effective conversations between parents/carers and their children. Studies show that when parents/carers communicate effectively with their children, they are showing them respect. Children then begin to feel that they are heard and understood by their parents, which is a boost to self-esteem. It also improves your bond with them, and encourages them to listen to you. The children have designed some lovely posters and we discussed the importance of communication. Some of them spoke about their frustration at not being able to talk to whoever picks them up because they were busy on their phone. The children came up with questions they would like to be asked when they are collected from School. These include:

- ***What did you learn today?***
- ***What games did you play at lunchtime?***
- ***Tell me something you found interesting today?***
- ***Was there anything you found difficult about today?***

Please join us in this campaign to take the time to talk and listen to your child about their day and help build conversations into their daily lives.

Enjoy your walking and talking!

Lost Property

We've started to get a small collection of lost property again. Can Parents please ensure all uniform items (especially PE kits) are named.

Sunflower Growing Competition

Now that the weather is getting better, we have started to grow some plants! Each class has planted Sunflowers and we are holding a competition to see who's Sunflower will grow the tallest! So far Nursery are in the lead by miles followed by Year 4 Tanzania Class 🌻
