Important Information

Dear Parents/Carers,

We had a successful first week back. Our children settled in extremely well and were beaming with stories from their half term adventures.

Friday marked Reception's sports day - an absolute delight and pleasure to watch. Events like this can cause havoc at times but our children behaved meticulously - routines and expectations have been embedded fully within in our children and this was evident. The children and parents alike were in the full spirit of sports day, encouraging and celebrating the events set up.

Today we enjoy KS1 sports day, it has been a joy to be part of this. I would like to thank all parents who have attended, not only for coming to support your children (it means the absolute world to them, I strongly encourage attendance whenever there is an invite for parents to join us) but for also sticking to the guidance and times given to you. Days when parents are invited into school are only a success when all advice is followed, a lot of work goes into ensuring things are organised well and are also safe for the children. I have full faith KS2 parents will follow suit tomorrow.

This season allows children to enjoy being outdoors during their learning. We have a strong push on this and horticulture, so much so Miss Nawaz spent her Saturday to come into school and lay the foundations of our growing focuses this half-term. Each year group has a designated planting focus, please ask your class teacher/child about what theirs is

and ask them about the progress of growth. This will ignite interest and motivation for your child.

We have glorious weather for the week ahead, please ensure your child is adequately prepared.

A water bottle, a sun hat and sun cream, it's not very often we get this weather, I would like the children to make the most of it while remaining safe.

With all that being said, I am very much looking forward to seeing you all and I wish you a great week ahead.

Miss Mehat

PANTS rule

This half term children will be recapping the importance of the PANTS rule within their PSHE sessions. It is vital that we teach children how to safeguard themselves, that no one should tell them to keep secrets, what consent is and signposting them to services that they can access should they need to.

Investing in this conversation with your children creates a sense of openness to which children can feel safe and comforted from. Please see below detailed guidance from the NSPCC on ways to sensitively approach this topic.

EVERY CHILDHOOD IS WORTH FIGHTING FOR

LEARN PANTOSAURUS' FIVE EASY RULES FOR STAYING SAFE

PRIVATES ARE PRIVATE

Your underwear covers up your private parts and no one should ask to see or touch them. Sometimes a doctor, nurse or family members might have to. But they should always explain why, and ask you if it's OK first. Remember, what's in your pants belongs only to you.

ALWAYS REMEMBER YOUR BODY BELONGS TO YOU

No one should ever make you do things that make you feel embarrassed or uncomfortable. If someone asks to see or tries to touch you underneath your underwear say 'NO' – and tell someone you trust and like to speak to.

NO MEANS NO

You always have the right to say 'no' – even to a family member or someone you love. You're in control of your body and the most important thing is how YOU feel. If you want to say 'No', it's your choice.

SPEAK UP, SOMEONE CAN HELP

It's always good to talk about stuff that makes you upset. If you're worried, go and tell a grown up you trust – like a family member, teacher or one of your friend's parents. They'll say well done for speaking out and help make everything OK. You can also call Childline on 0800 1111 and someone will always be there to listen.

TALK ABOUT SECRETS THAT UPSET YOU

There are good secrets and bad secrets. If a secret makes you feel sad or worried, it's bad – and you should tell an adult you trust about it straight away.

Remember all of these rules and they'll help you stay safe, just like Pantosaurus

Bikeability

This week 30 Year 6 pupils have taken part in a Bikeability course. The sessions have provided children with the skills and knowledge to safely cycle on the road. Children have learnt how to check their bikes to ensure they are road safe; they have learnt road safety awareness, how to read road situations and have cycled on the road. All children participating passed level 1- well done to them!

Many children lack confidence and the skills required in cycling. Starting next year, we will be building this skill set by facilitating cycling clubs during lunch time and after school, starting with Bikeability lessons in Lower Primary. Our long-term vision is that by the time every child is in Year 6 they will be able to confidently cycle, enabling children to be more active and environmentally minded.
