## Key Dates for Parents/Carers

**Friday 28th May** - Last Day of Term

**Mon 31st May - Fri 4th June** - Half Term

**Tue 22nd - Thu 24th June** - Parent Consultation week

## Important Information

Dear Parents, Guardians & Carers,

And just like that we have reached May! The weather might not be the best but the pupils have been out and about.

I am delighted to share that the Run Marathon has started, with many pupils sharing their running stories. A reminder that the Run marathon is a national programme organised by the school and will run throughout the month of May. Pupils will run or walk the length of a marathon (26.5 miles), which they will track on the sheet they bought home. Once completed, the pupils will receive a medal. This is a great way to encourage pupils to run and can be done as a family, everyone wins! 😊 This will prepare our children for their sports days which this year will have an Olympics theme.

Teachers will start to write the Annual reports for parents which will be emailed to you on Friday 18th June. This will be followed by parent consultations from Tuesday 22nd June until Thursday 24th June. Parent consultations will take place online via TEAMS, I strongly encourage attendance.

Teachers have started to implement transition plans, especially for Reception, year 3 and Year 6. Teachers in year 6 have already started to liaise with the secondary schools.

A reminder that our catch-up plans are available on our website alongside information on pupils premium and sports grant. You will also find the schools three-year strategic plan on the website.

Many of you will be celebrating Eid next week so a big Eid Mubarak from all of us.

*Miss Mehat*

Key Messages & Reminders

Just so you don't forget...

**Marathon Challenge**

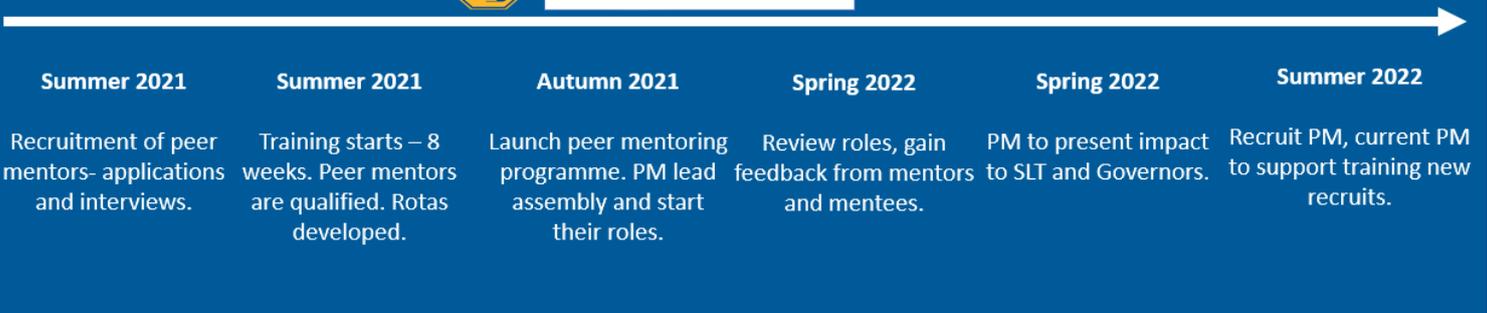

The aim of the challenge is simple – run or walk a total of 26.219 miles throughout the term. This will of course not be in one go, but instead spread out across the term through regular sessions of physical activity. Each lunchtime will count for 0.5 miles, every hour-long PE lesson your child takes part in will be an additional 1 mile to add to the total. As your child progresses through the challenge, they will receive motivational stickers when they achieve certain landmarks. Finally, when the marathon is completed, they will be presented with a medal as recognition of their amazing achievement. They will then be able to confidently say to their friends and family that they have ‘run/walked a marathon.’

**Peer Mentoring**

We have been working closely with Hannah Ford (Mental Health Practitioner) to develop our peer mentoring programme. As a peer mentor the children will support their peers through resolving conflict on the playground, making friends, supporting children when they feel alone or down, being an active listener, providing advice and leading mindfulness sessions. The year 5 pupils have been eagerly completing their application forms and some children have been selected to attend an interview next week. Once the children have been recruited, the children start an 8-week training programme with Hannah to enable them with the skills and knowledge to effectively start mentoring peers in September. We look forward to introducing you to the new Peer Mentor team soon and working alongside the school community to provide pastoral care for all children should they need a listening ear or guidance.
