Important Information

Dear Parents/Carers,

We had a few days of sunshine, so I hope you caught it.

This week the pupils will take part in our termly assessments so please could you ensure that pupils are in school. This will be followed by internal progress meetings with senior staff and then the governing body.

This week on Wednesday 30th March, you are invited in to school to look at your child/ren's books to see for yourself how they have been progressing. During the last week of term, you will be able to discuss this and ask questions via a team's link. You can request to meet with the teacher any time within the year, you do not need to wait for parent consultations. I look forward to seeing you later on this week.

A reminder that pupils' attendance is crucial...we will be monitoring this rigorously so that it can return to the pre-lockdown attendance.

On another note, I am so impressed with our school lunchboxes! Well done and thank you

We are working with the canteen staff to better match the healthy food expectations within the kitchen.

And finally, a reminder to parents that we break up for half-term on Friday 8th April at 12.30pm. Children can come in non-uniform this day in celebration of the Christian festival of Easter.

I hope you have a great week ahead.

Miss Mehat

Polytunnel Volunteers

We wanted to say a big thank you to the Parents who showed interest and helped with the Polytunnel clear out - we managed to achieve a lot that day and are ready for planting. It would be great if Parents can join us on Wednesdays between 2pm - 3pm to get the job completed. Please let me know via Teams!

Greetings

To continue our celebration of languages spoken in our school please use the Swedish greeting. Here is a video of Miss Ahluwalia for you to learn how to pronounce it correctly. Please take this opportunity to discuss Sweden and where it is on a world map.
