Mathletics:

Well done to Hammad H who is 5th in the UK on the mathletics leaderboard.

Well done everyone!

House Points

1st Place – Majestic Oak

2nd Place – Sycamore

3rd Place – Horse Chestnut

4th Place – Copper Beech

Dear Parents and Carers,

School Closed on Wednesday 23rd September

A reminder that school will be closed for an INSET day on Wednesday 23rd September. Please do not bring children to school that day. School will re-open as normal on Thursday 24th September.

New Menu Launch

On Tuesday 15th September we officially launched an exciting new school lunch menu in partnership with Taylor Shaw. We have been growing our own fruit and vegetables for some time and this new partnership fits in to our school values of eating a variety of fresh, healthy food. Our kitchen staff have been working closely with the pupils to ensure that they educate them about food and that they incorporate our award winning school-grown produce in the food that the

children eat. We now have four popular options including halal, non-halal and vegetarian selections with access to a salad bar and free milk. During the launch parents sampled the new menu commenting on how tasty the food was and the variety of choices available. Year 6 pupil Danyaal stated, "The food is really tasty, at lunchtime the children are finishing all their food." We are really happy with the changes we have made and will continue to work with Taylor Shaw to provide further information and ideas of meals to our parents. There will be a write up in the Slough Observer next **Friday 25th September**.

[Macmillan Coffee Morning](#)

A reminder that Macmillan Coffee afternoon will be on **Friday 25th September at 2pm**. Please send in all cake donations by Friday morning at the latest. Please make sure that the donations do not contain any alcohol and nuts. Please also make sure that cakes and the boxes you bring them in are clearly labelled with any allergens. Please come along and put your feet up, chat to friends and eat cake – what could be better.

[Rugby World Cup 2015](#)

At Wexham Court Primary School we have all been getting excited about the forthcoming Rugby World Cup. The children will have opportunities to partake in Tag Rugby games as well as learn about the core values of rugby: such as teamwork, respect, enjoyment and discipline. We do hope the children enjoy learning about the game! If you would like your child to take part in rugby outside of school, Slough RFC offers excellent training for children aged between 5-12 years of age on Sunday's between 10am and 12pm (Upton Court Road) Please call 01753 522107 for more information.

[Tubs4Tablets](#)

Wexham Court Primary School is now collecting 'Tubs4tablets'. This is a new scheme run by Flora (of margarine fame!). If we collect just 50 tokens (on the lids of Flora tubs) we will get a brand new SAMSUNG GALAXY TABLET!!! Please drop off any lids in the School Office - a box has been provided. Thank you for your help - these tablets will help our children enormously in their education.

[Packed Lunches](#)

Could parents ensure that all children who have a packed lunch bring in a drink from home. Unfortunately they are unable to purchase one in the canteen as it disrupts the flow of dinners. Packed lunch children will be asked to take all their waste home so that you can see what they are eating as much of it is ending up in the bin.

[Clubs](#)

If your child has been allocated a place in a club they will receive a slip from the teacher running that club. If not, then unfortunately on this occasion your child has not been successful.

[My First Day](#)

We had a photographer in today, Friday 18th September, to take photographs of our new Reception children. There will be a write up and the photographs printed in the Slough Observer on **16th October 2015**.

***Assembly Theme for Week Beginning 21st September: Sukkot & Macmillan Cancer Care
Collective Worship: Yom Kippur (Jewish), Eid (Islam), Sukkot (Jewish)***

Finally, on Saturday 12th September, a local boy was killed by a drunk driver. This was was 20 year old Jacob Chapman who is the loved uncle of some pupils in our school. He was home to say goodbye to his family as he

prepared to start university last week. Jacob was an ex-student here and while I did not know him, I have heard great things about him. Our deepest sympathies go out to the family, who have shown great courage. I remind parents that life is so fragile and I worry all the time about our children and the roads. Please please be more responsible when driving around the school or parking. Parents tell me that the parking around the local shop is very unsafe. Can we all work together on this and show some consideration.
